Education

SR University, Warangal 2023 – 2027
B.Tech in CSE (Cybersecurity), Warangal, India
CGPA: 7.1 / 10

Narayana Junior College 2021 – 2023
Intermediate (MPC), Hyderabad, India
Percentage: 78.7

Technical Skills

Programming Languages:	Python, Java
Databases:	SQL, MySQL
Web Technologies:	HTML, CSS, JavaScript
Tools & Platforms:	VS Code, Git, GitHub

Cybersecurity Experience

Penetration Testing & Network Security Trainee

- Gained basic hands-on experience with Wireshark, Nmap, Burp Suite, and Kali Linux for cybersecurity learning and practice.
- Learned basic concepts of network security, vulnerability assessment, and web application security.
- Practiced analyzing network traffic and identifying common security issues using basic cybersecurity tools.

Key Projects

Eco Chain Shipping *Blockchain, Smart Contracts, Web Development*

- Designed and developed a blockchain-based shipping management system to provide secure, transparent, and tamper-resistant shipment tracking.
- Implemented blockchain technology and smart contracts to improve data integrity, transaction security, and transparency throughout the shipping process.
- Developed a user-friendly system for tracking shipments and managing shipping information efficiently across different stages of the supply chain.

Intelligent Phishing URL Detection *BERT, DOM, HYNA Optimization, XGBoost*

- Designed and developed a hybrid framework for detecting phishing URLs using BERT, DOM-based features, and machine learning techniques.
- Implemented HYNA optimization and XGBoost to improve phishing URL classification and enhance detection performance.
- Analyzed URL and web page characteristics to identify potential phishing threats and support intelligent cybersecurity solutions.

Achievements

- Secured a Top 9 position as a team in an On-Campus Hackathon 2023 (Python Programming) Nov 2023

Certifications

- Azure AI Fundamentals – Microsoft (Mar 2025)
- Cloud Security Builder – AWS Academy (Nov 2025)
- Cloud Foundations Training – AWS Academy (Nov 2025)
- Cybersecurity Essentials – Cisco Networking Academy (Dec 2024)
- Google Cybersecurity – Coursera (Aug 2026)
